Best Soccer Strikers Of All Time. Easy To Read Children Soccer Books With Great Graphics. All You Need To Know About The Best Soccer Strikers In History. (Sport Soccer IQ Book For Kids)

Synopsis

So, you're interested in learning about the best strikers of all-time! Who wouldn't? Soccer strikers are the most recognized names in the game itself. They are the ones that we always remember the number 9 who scored all the goals. The guy who turns up in the big game, and the guy who you love to watch on the TV and at the stadium! It's true, and nobody can say otherwise, that strikers are the most valuable part of a soccer team. They are the ones who are relied upon to be the best, to get the goals, to win the trophies. Goals win games and while other soccer players like a midfield player or a defending player can get away with not scoring so many goals, with strikers they need to be involved in the scoring all the time! After reading this fun, interesting, and easy to read book, you will know exactly who are the best strikers of the history to look into that can be the right role model for you to learn from. You will know exactly why there are quotes such as below: "There are some things Ronaldo can do with a football that make me touch my head and wonder how on earth he did it." Portuguese star Luis Figo Malcolm Allison: "How do you spell Pele?" Pat Crerand: "Easy: G-O-D." British television commentators during Mexico 1970 "Leo simply goes one way with his body and another with the ball. You have to either guess right or foul him." Teammate Gerard Piqué...and so much more.. Get this book and enjoy!

Customer Reviews

Other than the great photos these books are hardly worth the \$2.99 I paid for them. The writing is poor with very little substance or concrete examples to support the writer's opinions. It seems like these books were designed for young readers but the language and sentence structure is inflated and convoluted. There are also many errors not picked up in editing. These are books simply pumped out to catch the eye of young sports fans with very little educational value either lexically or for the soccer fan. Tim Howard's youth readers biography was a masterpiece in comparison.

It probably was. Do they know who neymar is? They also never mentioned the hand of god. Jeez. This guy does know a few good ones. He doesn't even know the legendary David Beckham is! wow !

Pretty good book. But it was very short and had really nothing in it.... unless you don't know who Pele is, you learn nothing... ^
