# Seasonal Timing Strategies That Work: Stock Market Timing Strategies Based On Buying In November And Selling In May Combined With MACD And The Presidential Cycle Signals

## Synopsis

Investors today are looking for ways to improve returns while limiting the perils of a 2008-style market crash. This article discusses ways to attain these twin goals, sufficient returns with small downside losses. As co-authors of *Investment Strategies that Work*, we highlight different investment strategies that have limited risk while providing adequate returns, and how to best implement the strategy.
