The Book Of Playground Songs And Rhymes (First Steps In Music Series)

Synopsis

Beautiful and attractive books from the most prominent collector and advocator of the rich heritage and diversity of folk songs. For generations, neighborhood kids would gather to skip rope, bounce balls, play hand-clapping games, or choose one another to be the first in a game with a counting-out rhyme. The songs and rhymes in this book were made by playing these games and are a great foundation for music learning. By sharing these songs and rhymes with students during music class, today's students will discover the joy of music and, hopefully, share the songs, rhymes, and games in this collection with their friends and family. The songs are organized into five distinct categories: Hand Clapping, Jump Rope, Ball Bouncing, Counting Out, and Passing and Stick Games.

Customer Reviews

Some a little outdated (lots of "kissing" rhymes) but still a good and useful collection.
