The Psalter, Choral Edition: Psalms And Canticles For Singing

Synopsis

This collection contains sixty-two psalm settings and eighteen canticles selected from *The Psalter: Psalms and Canticles for Singing*, published by Westminster/John Knox Press in 1993, that may be easily sung by a choir. Most of the settings are for SATB voices, although unison settings that may be effectively sung by a choir are also included. This choir edition makes it possible for more churches to use the Psalter. It provides an important resource for singing the psalms and is an attractive option for church choirs.

Customer Reviews

Nice product but not exactly what I was looking for. Our choir director plans to use it. The only reason for four stars is that were all evaluations to be five stars, my "rater profile" would be skewed and meaningless.

This book was a disappointment to me and my husband. It simply doesn't offer new information or insights that I had hoped to find.
