## Customer Reviews

I enjoy the ABC series as recommended to me as an infant....why do I remember my ABC's. I have progressed wonderfully without much difficulty but it can be often times confusing if you move too fast like I did so do take your time and practice often but limit to practicing to 1/2 hour or 1 per day or several per week...

My eight year old son has been practicing viola for a few years. The second ABCs in the series has some lovely pieces that he can enjoy in addition to pleasant sounding drills.

Good content
