Some great songs. The format, showing all the guitar parts, was a little to complete and technical for my needs. I would have rather had a few more songs.

Excellent book. This book is great for learning some of the classic Kristofferson songs. The tabulature is very complete for the songs in the book.

Good song selection, quality paper and easy to read, though Kris doesn't compose in the keys that are easiest for me.. .

Nice to look through his chords and songs together, a little work to play the songs, he like doing it in a messy way the good old Kris, but I love the book, it gives me work. "Why me Lord" is a great song

for those who believe in Jesus and The Creator.
