Customer Reviews

A great assortment of some of Carlos' best. Bought it because it has my personal favorites (probably everyone's favorites). Music seems accurate, This is not "easy" and beginners best find something else. Tricky bends to get just right at the appropriate speed with pull offs from the bend and some challenging passages. Carlos is a great guitarist and accordingly plays material that shows off his skill. This is NOT Smoke on the Water.

Covers classic songs, I enjoyed it. Now I can learn some of my favorites.

A good buy!!

Pretty good

My son's guitar teacher recommended this book. Got it for him for Christmas and he loved it. Very

nice.
