# The Son Of Tarzan

## Synopsis

Paulvitch seeks revenge against Tarzan once again, this time by luring Lord Greystoke's rebellious son away from London. The great ape Akut foils the plot of revenge as he helps the boy escape the wrath of Paulvitch. Akut and the son flee to the savage African jungle where Tarzan was reared. In his quest to survive, the young civilized boy reckons with life and death as he encounters the same dangers that his father once faced and ultimately matures into the mighty warrior, "Korak the Killer". In one of his many adventures, Korak rescues a young beauty, Meriem from an Arabian band of raiders. Like Tarzan, Korak discovers that the perils of the jungle are nothing compared to the evils of men. Tarzan Series #4

## Book Information

Series: Tarzan (Book 4)

Audio CD

Publisher: Tantor Audio; Unabridged edition (September 1, 2002)

Language: English

## Customer Reviews

In the previous novel "The Beast of Tarzan," Jane and her infant son Jack were kidnapped by Tarzan's enemy Nikolas Rokoff and his henchman Alexis Paulvitch. Of course, Tarzan tracks down his wife and son and finally dispatches Rokoff. However, in this fourth Tarzan novel, "The Son of Tarzan," Edgar Rice Burroughs provides an adventure whose key point is: like father, like son. Paulvitch had survived the vengeance of Tarzan and now wants to even the score by luring young Jack Clayton away from London. However, his plan is foiled when Jack escapes with the help of Akut, the great ape. The pair flee to the same African jungle where Tarzan was raised a generation before. It there that young Jack Clayton establishes his own reputation as Korak the Killer. Not only does he find Korak find his own place in the jungle and amidst the great apes, he also rescues

Meriem, a beautiful young woman, from a band of Arab raiders. Meriem turns out to be the daughter of Armand Jacot, a Foreign Legion Captain who is also the Prince de Cadrenet, and therefore a fitting mate for the son of Lord Greystoke. On the one hand, "The Son of Tarzan" is a ERB adventure yarn that closely parallels many of the key elements of the original "Tarzan of the Apes." In that sense this is a fairly predictable story (almost from the moment we hear about "My Dear" we know who she will turn out to be in the end), but given all the speculation about what the Tarzan novels were saying about human society and evolution, it is interesting to note that we have the same relationship between "The Son of Tarzan" and the original "Tarzan of the Apes" that you find between Jack London's "White Fang" and "The Call of the Wild."
