Customer Reviews

Powerful book! I found this book very helpful and informative. This book is full of information that can help us fully understand what a stock trading is all about. The information was clear and concise. I want to improve my financial lifestyle but I don't have an idea on where to start and what to do. This book is perfect for me because it guides me on how I can get started and I learned here the basics information on what it entails. This book will provide everything we should need to know about stock trading. I learned a lot!

This book was very helpful. I thank the person who took time to break everything down. I feel more educated on stocks. Sandy S.

Basic stock information that can be read online on various websites.
